CLINICAL LABORATORY IMPROVEMENT AMENDMENTS (CLIA) WAIVERS

Every public school that does even one lab test needs to have a CLIA waiver. If a student is independently performing all testing, e.g. blood glucose monitoring, a waiver is not needed for that testing device. However, if the student needs any assistance with performing the test, such as applying the blood to the stick or inserting the stick into the device, a waiver is needed. (This does not includei...
